Systema Software Makes Inc. 5000 for Fifth Year

Larkspur, Calif. – August 18, 2016 – [Systema Software](#), LLC, a leading provider of [claims administration software](#) and services to the insurance industry, has made the [Inc. 5000](#) list for a fifth year in a row. The 2016 Inc. 5000 ranks America’s fastest-growing private companies by overall revenue growth from 2012 to 2015. During this timeframe, Systema Software grew a dramatic 172%.

As an Inc. 5000 honoree, [Systema Software](#) shares a pedigree with companies such as Yelp, Pandora, Dell, Intuit, Microsoft, Oracle, LinkedIn, Fitbit, Zillow, and other notable alumni. The 2016 Inc. 5000 is the most competitive crop in the list’s history. The Inc. 5000’s aggregate revenue is \$200 billion, and the companies on the list collectively generated 640,000 jobs over the past three years. According to Inc. President and Editor-In-Chief Eric Schurenberg, “No one makes the Inc. 5000 without building something great.”

[Jose Tribuzio](#), CEO of [Systema Software](#), commented: “Making the Inc. 5000 for a fifth time exemplifies the strength of our team. We have consistently executed on our vision to deliver the best [claims solution](#) to the insurance market. We’ve continued to innovate our flagship product [SIMS Claims](#)[™] to deliver powerful performance, flexibility and in-depth functionality. This year, we launched a new User Interface (UI) that delivers a sleek design, intuitive user experience and the ability to run on various browsers and mobile devices. We also integrated Microsoft’s Power BI tools, enabling clients to transform data into business insights that impact their bottom line. From year to year, our clients have stayed with us and continue to tout the benefits of SIMS, as well as the exemplary level of service and support they receive.”
