

## **Discoverture Solutions and System Software Form Strategic Alliance to Target Small- to Mid-Sized Insurers with Complete Claims Solution**

*Combination of Systema's claims system and Discoverture's services offer underserved insurance small/mid-sized market an attractive end-to-end claims solution*

**Scottsdale, AZ and Larkspur, CA - March 25, 2014** - [Discoverture Solutions](#), leading provider of IT services and solutions to the Property & Casualty (P&C) insurance industry, and [Systema Software](#), a leading provider of claims administration software and services to the insurance industry, today announced a strategic alliance between the two organizations.

The alliance has been established with the goal of providing small- to mid-sized insurers with a complete, affordable, and quick to implement claims solutions. The Discoverture/Systema collaboration leverages Systema's claims administration software, [SIMS Claims™](#), combined with Discoverture's arsenal of services to deliver a cost and time effective claims system to the currently underserved market.

In support of the alliance, Discoverture is providing a Center of Excellence for the SIMS Claims solution to provide a claims-focused set of services that add value to the implementation process and develop integration required to fulfill each insurer client's unique needs.

"By joining forces with Discoverture Solutions, we'll offer clients everything they need from software to services to ensure the best possible outcome for their new claims solution. Our mutual clients gain the advantage of our combined depth of expertise and a broader service offering that translates into quicker implementation success – enhancing the customer experience and ensuring quality results," said Systema Software CEO Jose Tribuzio.

Steve Addair, President Discoverture Solutions, added, "When the value of Systema's solutions is joined with the services and implementation expertise from Discoverture, everyone wins – especially the insurer. We are already working with Systema at our mutual client, Southern Trust Insurance Company, and look forward to adding many more insurers as both our organizations work to promote the outstanding value of our combined software and services offering."
